Family ties old town

GROUP OFFER

The “Family ties” are free parent-child groups, which are offered by the Early Help in cooperation with the VHS and are aimed at (coming) parents with children from 0-2 years. Fixed parent-child groups offer the opportunity to meet other parents, spend a nice time together, exchange ideas and get new information. The children make first group experiences, experience community and are encouraged in their development.

Every 14 days on Tuesdays, parents and grandparents can meet in the family and education office from 10:00-12:00 and drink a coffee or tea together in a leisurely round.

For any questions, please contact the family office by email: Familienbuero@castrop-rauxel.de
